霜月かいり  
KARI SHIMOTSUKI

To satisfy your thirst  
there is only your warm blood

天國  
Temptation

It had been  
long...

this  
desire...

I had not seen the  
others for a while... I  
drank too much?

Bar for vampires

You just  
blew away  
the crowd  
there!

Yes, just  
Why does he  
do that?

Look at that  
look on his  
face...

It's a magical way

Smells  
good...

For one  
reason or  
another,

I want  
blood...

Ah...

B

A M

Good evening!

The blood  
excites  
me today.

...it is hot.

Eh?!

?

My darling,  
are you free  
tonight?

Say?

Um...

What have  
you drunk,  
asshole?!

gets up slowly

Mr. I  
feel  
tired  
I drank  
too  
much.

You said it  
yourself  
yesterday

wasn't sleeping

Why'd  
you say  
I'm a  
vampire?

Who  
are  
you?

Yesterday...  
It's the smell  
of blood that  
attracted  
me.

Dirty vampire!  
What'd you do to  
me,  
motherfucker?!

AAAAH!

Whyyyy?  
I am  
allergic  
to  
humans!!

Impossible!  
I drank  
blood?!

Shut  
your  
trap.

No...It's  
horrible!

I must be  
infected.  
This error  
is..!

No, I will  
have hives!

Then finally,  
you ignored  
me all night!

It's you  
who's  
horrible.

Whew, I  
have not  
drunk

You flirt with  
me when I  
return from the  
store and you  
bring me back  
to your house—

You must  
take  
responsi-  
bility!

You  
seduced  
me!

?

You  
looked  
at me...

...and my body  
became hot for  
some reason.

I hypnotised  
you so you  
wouldn't make  
any noise...

Ah, so it acts  
as an  
aphrodisiac...

...and then  
you threw me  
on the ground  
and went to  
sleep, right?

SAKURA

... You're  
so calm

Why do you  
treat me so  
badly?

**This isn't  
the time  
for jokes!**

ひく

I'm  
sorry.

My magic  
is too  
strong on  
humans.

I could drink  
your blood,  
but it's not  
possible.

I'm  
allergic

Do it.

In  
this  
case...

Human?!

WHAM

So, lets  
do it...

...the  
human  
way.

Ah...  
Sex?

It's me  
who's  
planted  
the seed.

I don't  
have to  
listen to  
a human

but lets  
do it.

Well...

Let's go...

It's something to do  
in my long life...

Ok...

The  
human  
way...

His blood is not good to  
drink yet I regret it a  
little.

But...  
There is something...

However...  
This human  
has spoken...

"The human  
way" does not  
make me sick

Feelings...

I'm  
surprised.

END
